

We would like to take this opportunity to introduce ourselves:

We are a new, boutique limousine service based in Brisbane's inner north, servicing south east Queensland.

We believe that our specialised service, including our courteous chauffeurs and immaculate Mercedes Benz sedans, would be of particular interest to your clients, given the additional touch of class and style that these vehicles promote.

The latter comprise of matching black E-class saloons, with soft tinted glass and cream leather interiors, which are guaranteed to compliment the arrangements for your clients' special day or evening.

It is our aim to offer a premium service at an affordable, tailored price.

Please contact us on 0408 098 217 so that we may discuss how we can be of service.
